<u>Title of the Practice</u>: Scholarship: A Helping Hand!

Objectives of the Practice:

Helping the needy people are inevitable part of our lives. Along with academics, sports and cultural accelerates the development of the students', providing scholarship is a key role in all – round development of the student as getting scholarship keep the students mentally free and moral support to dream high. That inculcates our reach cultural heritage and values into the students. It also helps in empowering their academic and career goals by removing the financial barriers. Getting a scholarship takes away all their financial concerns, and provides them the more valuable time to study, gaining knowledge and secure a better career. These funds enable students to obtain education; they may not have access otherwise. Also, it brings brand awareness of sponsoring institutions to students who want to jumpstart their education and career.

Context:

The college encourages giving scholarship to Backward Castes and economically backward students through this practice. Taking the benefit of Scholarship scheme students are selected on the basis of their financial background and on their academic performance basis. The students are encouraged to take more benefits and regular learning processes for improvement in their performance. Providing scholarships encourages diversity by enabling more of talents from various socio-economic backgrounds for achieving their academic goals and career dreams. Some of the portions in our society, the financial burden of higher education seems insurmountable. However, providing a scholarship could be proven to be a key which will open the door for those students to create a better future for their family and society. A scholarship also teaches philanthropy. A student receiving a scholarship may be grateful for it. In turn, they see the value of giving back which gets inculcated into them. Students learn the importance of serving the public. And a sense of being more willingness to give back to others in the future is developed. Overall, which will give them a better opportunity to learn more and enhance their educational background which give college a great environment.

The Practice:

Through the Scholarship Committee, College enthusiastically motivates students to participate in the scholarship program every year. Our most of the students are getting the scholarship. Our college will not reject most of the student's applications for scholarship schemes. Our main aim is to strive to provide accessible and

quality higher education that prepares students to be catalysts of positive change in their communities and beyond, and to transform the weaker & amp; deprived communities by bringing them to the avenues of higher education.

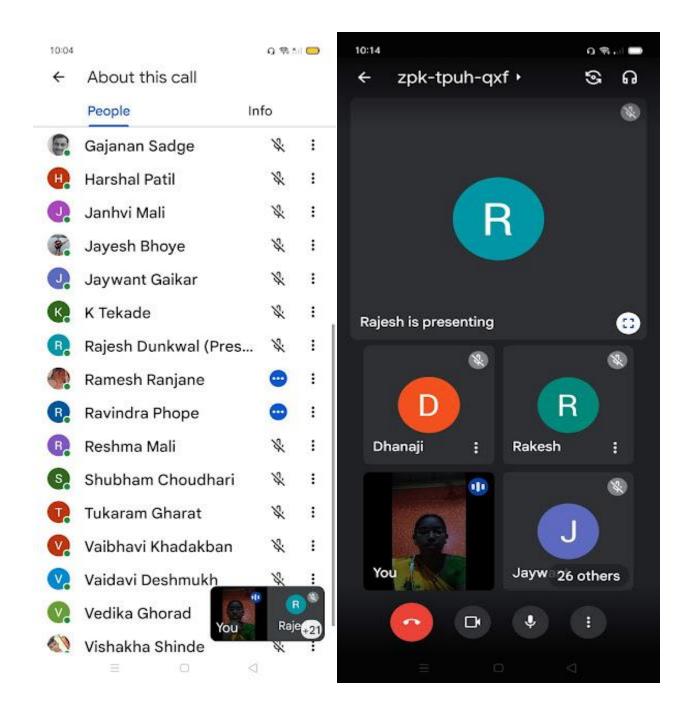

The college is giving helping hand by the following schemes to the needy students:

- 1. Scholarship given by government of India (GOI scholarship) for backward castes students.
- 2. ANGC scholarship by "Association of Non-Governmental colleges" for open category students .
- 3. Scholarship for economically backward students from university of Mumbai.
- 4. Scholarship for scheduled tribes (ST) category students from university of Mumbai.
- 5. Scholarship from Stakeholders for Financially poor and needy students.
- 6. Financially weaker students are given concession in fees through `Shahu Helpage Scheme.'
- 7. 'Anuradha Adhar Yojana' Through this scheme, education fee is fully waived off for children of college employees.

Evidence of Success:

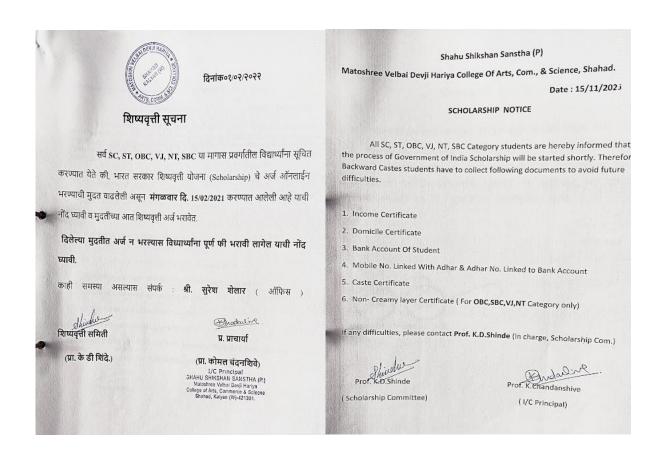

- **A.** There has been a significant increase in the number of students benefiting from the Government of India scholarship scheme for backward students.
- **B.** It also provides scholarships through various means to enable the students of Open category to get into the stream of education.
- **C.** Special efforts have been made to ensure that deserving students get the benefit of the scholarship scheme implemented by Mumbai University.
- **D.** In order to get scholarships to the economically weaker students, they were given the benefit of scholarships by taking the help of philanthropic persons in the society.

C. Scholarship from University of Mumbai (Letters)

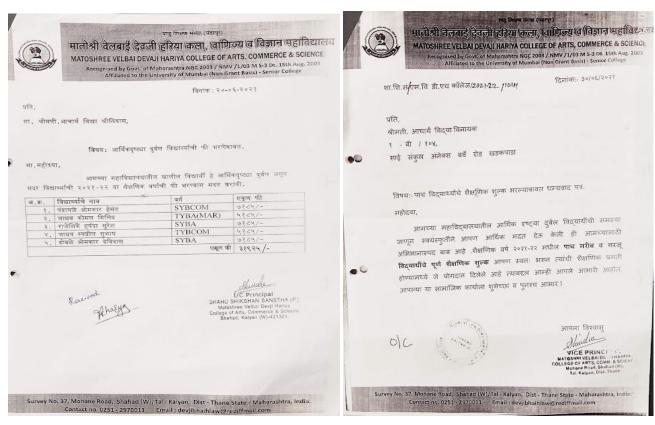

Scholarship from University of Mumbai (Sanctioned Letters)

D. Scholarships to the Economically Weaker Students (By Stakeholders)

Encountered & ample resources Required:

The resources which are used for scholarship are the documents given by the students. On that background college provides scholarship to needy students sometimes students not having the proper documents that would be a basic problem faced by college and students too which may a major issue among all the students.
